Second Amendment in Reply to Notice of Allowance of March 26, 2004

REMARKS

Applicants respectfully request entry of the present amendment. The undersigned greatly appreciates the courtesies extended by Examiner Phan during the telephone conversation of July 26, 2004 discussing the typographical errors noted below.

Upon a review of the Amendment filed under the provision of Rule 312 sent by facsimile on April 14, 2004, typographical errors were noted in claims 5 and 11. These changes do not affect allowability of the present application since claims 5 and 11 are dependent on allowed independent claim 1.

Entry of this amendment is requested because it merely corrects a typographical error. The above amendments were not made earlier because the typographical errors were only discovered upon a review of the application. The above amendments will not require a substantial amount of additional work by the Patent and Trademark Office.
